

## Program Roadmap for Full-Time Online Track

Admission to the full-time Online RN-BSN Program is twice a year, every fall and spring term. The program is delivered in consecutive 8-week sessions. Courses are asynchronous, online, using the Canvas learning management system. The only in-person requirement is the Population Health Clinical course; it must be completed on-site at a community health facility.

Term/Session	FALL Admission Session 1	Units	Term/Session	SPRING Admission Session 1	Units
Fall 1	NURS 3110 Transition to Professional Practice	3	Spring 1	NURS 3110 Transition to Professional Practice	3

\* In addition to satisfactory completion of all General Education Communication Skills requirements, all students must demonstrate competency in writing skills as a requirement for graduation.

\*\* Clinical course – Location preference is not guaranteed.

Apply at [www2.calstate.edu/apply](http://www2.calstate.edu/apply).

### Application Period

Fall: November 1 – June 1

Spring: August 1 – October 1

Visit our website at <https://eie.csustan.edu/online-rn-bsn>.

### Eligibility Requirements:

- Current California Registered Nurse (RN) license. A copy of your RN license must be submitted by the program orientation; otherwise, admittance to the program will be forfeited.
- Completed 60 semester units of baccalaureate-level transferrable coursework. A minimum grade point average (GPA) of 2.0 is required.
- Completed Associate Degree in Nursing.
  - A minimum grade of C is required in all coursework.
- The following prerequisites, or equivalent courses, must be completed prior to program admission (a C grade or better must be earned in each course):

	Course	Course Titles	Minimum Units
<b>Science Prerequisites</b>	CHEM 2100	Chemistry/Biochemistry for Nurses I	3
		General chem., inorganic chem., or integrated chem. are acceptable (B1)	
	MBIO 2010	Microbiology for Allied Health	4
	ZOOL 2235	Human Physiology (with a lab)	4
	ZOOL 2250	Human Anatomy (with a lab)	4
<b>Non-Science Prerequisites</b>	COMM 2110	Group Discussion Processes	3
		COMM 2000 or COMM 2005 are acceptable (A1)	
	ENGL 1001	First-Year Composition	3
		ENGL 1003, 1005, 1006, 1007 are acceptable (A2)	
	ENGL 2000	Critical Inquiry	3
		PHIL 2000, 2005, 2100 or COMM 2300 are acceptable	
	MATH 1600	Statistics	3
		MATH 1601 and 1602 are acceptable	

- Enrollment in coursework is contingent upon documentation of a physical exam and on passing a drug screening and a background check.

### Graduation Requirements:

- Complete Stanislaus State requirements for a Bachelor of Science degree (50 units minimum, in addition to transferable General Education units).
- Complete RN-BSN major coursework (24 upper-division units).
- Complete Upper-Division General Education courses (6 units).

### Validation of Equivalent Course Work:

- In addition to the 24 units in the Nursing major, the School of Nursing will allow up to 20 upper-division units of validated credit for equivalent nursing course work completed, in preparation for the nursing licensure. Validation of these units will be allowed, by challenge, upon completion of the program (with all grades posted) and successful completion of:
  - NURS 3110 Transition to Professional Practice
  - NURS 3600 Diversity and Equity in Healthcare
  - NURS 4240 RN to BSN Seminar

*Note: The School of Nursing validates the coursework and Continuing and Professional Education (CaPE) will complete the process.*

Units	Description
120	Total number of units required for BSN
-70	Community college transfer units
50	Total number of units needed to complete BSN
-6	Upper-division general education units
44	Remaining units needed
-24	BSN Program Core Courses
-20	Credit by challenge units
0	<b>You've earned your BSN (no units remaining)</b>
