

## Application for Sequential Enrollment Pathway

California State University, Stanislaus School of Nursing (SON) and Associate Degree Nursing (ADN) Program  
This is a voluntary and confidential application form to be used by the Stanislaus State School of Nursing. All applicants must be enrolled in a Associates Degree Nursing Program in their first or second semester at the time of applying at Modesto Junior College, San Joaquin Delta College, or Merced College.

**I understand that I am applying for the Sequential Enrollment Pathway. In doing so, I understand the following expectations:**

- Students commit to participate in two consecutive summer sessions
- Summer sessions are online through University Extended Education at California State University, Stanislaus.
- Summer sessions are eight weeks
- Students will simultaneously take two, three-unit courses each summer.
- The pathway will allow students to begin coursework for a BSN degree while still in the ADN program
- The pathway will reduce the student workload upon entering the RN-BSN program, but will not shorten the time required to obtain a BSN degree.
- Students are encouraged to commit to continuing in the RN-BSN program starting with the semester after successful completion of the ADN program and NCLEX.
- Students will have 12 months remaining for the RN-BSN program; however, they can work as an RN at that time and may be eligible to apply for financial aid.

Please complete or obtain the following documents and submit them with the completed application.

### CHECKLIST:

- Completed Application
- Unofficial transcripts
- ADN to BSN GE Certification – verified by Junior college counselor

Name: \_\_\_\_\_ ADN program Enrolled: \_\_\_\_\_
