

Dear Prospective Student,

We are delighted that you are interested in pursuing your B.S. in Health Science with a concentration in Leadership and Administration with CSU, Stanislaus. The Health Science program is an 18-month degree completion program. Therefore, students must be at the Junior or Senior level when they enter the program. The application period for the Fall Turlock cohort is November 1st to May 15th and for the Spring Stockton cohort, it is August 1st to October 15th. The application period may end early if we reach capacity sooner.

The following directions will help you through the admission process.

1. Complete the Pre-Admission Checklist document (2 pages). The form may be completed and discussed with the director prior to the application period, but must be submitted to the director during the application period. The first page is required to be completed and the second page is only if courses were taken prior to admission.

- Open the Pre-Admission Checklist. This is a fillable pdf form. Click in each box in order to answer each area.
- Make sure your name is on the top of the document.

2. Obtain an electronic or scanned copy of your transcripts (*unofficial acceptable for this step*) for any college or university attended. Official transcripts will be required for acceptance to the University (see #4).

3. Email the Pre-Admission Checklist and your unofficial transcripts to the Program Director @ mperearyan@csustan.edu.

4. Once you receive confirmation that you meet all program entry requirements from the Program Director, you must then be accepted to the University for admission to the program:

- a. If **not** currently a CSU, Stanislaus student, apply to the University for the Health Science degree thru CalState Apply. You will apply as a transfer student to Campus - Stan State, Source - Extended Education, Start Term – Fall or Spring. You will need to provide *OFFICIAL Transcripts* at this stage. E-mail the official transcripts to EIETranscripts@csustan.edu.
- b. If currently a student of CSU, Stanislaus you do not need to apply to the university. However, you need to submit a change of degree form. The form can be found at: <https://www.csustan.edu/sites/default/files/groups/Enrollment%20Services/documents/change-of-degree-4-3-20.pdf>

Thank you for your interest in the Health Science Degree Completion Program with a Concentration in Health Leadership and Administration at California State University, Stanislaus.

Mechelle Perea-Ryan, PhD, FNP-BC, RN-BC, PHN
Health Science Program Director

Health Science Pre-Admission Checklist

Student Name and CSU Stan ID if applicable:
