USAC’s Visiting Professor Program

Teach Abroad with USAC!

Apply to become a USAC Visiting Professor in one of our 30 locations during the 2021-22 Academic Year!

PROGRAM HIGHLIGHTS

• USAC’s Visiting Professor (VP) program allows you to teach abroad and contribute to international education. This is an opportunity to “internationalize” courses & research and to experience and contribute to USAC programs.

• Eligibility: full-time faculty member in good standing returning on contract following term abroad; excellent student evaluations; flexibility regarding international living & working conditions; willingness to actively publicize & recruit for your program & courses.

• Teach one 3-credit course in the summer or winter, or two 3-credit courses in the Fall or Spring for students from across the nation.

• Invite students from your university to join you on this exciting adventure abroad!
